

Algebra matching cards – relating terms to real life amounts

**An unknown
amount
multiplied
by 2**

$$2X$$

**An unknown
amount
minus 2**

$$X - 2$$

**An
unknown
amount**

**X or Y
or a or b.....**

**An unknown
amount
squared**

**X to the
power 2**

Algebra matching cards – relating terms to real life amounts

A number
minus 4

$$Y - 4$$

A number
cubed

Y to the
power 3

4 lots of the
same amount

$$4b$$

two less
than a certain
amount

$$a - 2$$

Algebra matching cards – relating terms to real life amounts

**3 times an
amount, plus
another amount**

$$3X + Y$$

**2 times an
amount
plus itself**

$$2Y + Y$$

**the next
number in
a sequence**

$$n + 1$$

**A calculation
multiplied by
an unknown
amount**

$$X(4 - 3)$$
