Kiwi fruit

24p each

How much will the following baskets of fruit cost?

- 1a. An apple and a banana
- b. 2 apples and a pineapple
- c. A kiwi fruit and 100g of strawberries
- d. 200g of raspberries and 3 apples
- e. 2 Kiwi fruit, 300g of strawberries and 4 bananas
- f. 250g of raspberries, 2 pineapples and a kiwi fruit

2. You have been given £5 to spend on fruit. Work out how much change you would get from each of the above baskets.

3. You have got £2.72 in your pocket. How many grams of raspberries can you buy?

4. Which is most expensive; 800g of strawberries or 500g of raspberries?
